

IAIE 2023 INVITING SCHOOL AWARD APPLICATION PROCEDURES

Application Deadline for 2023 Award: January 31, 2023

Stakeholder Survey Completion Date: February 28, 2023

Thank you for your interest in the International Alliance for Invitational Education and the Inviting School Award program. We appreciate your interest and encourage you to participate.

In an effort to ensure that schools intending to apply have sufficient time to complete the required work, it is requested that the Application form be January 31, 2023. Schools that cannot administer a survey by February 28 should either request an extension or apply for the 2024 award. The Inviting School Award Program is provided annually and requires sufficient time to work with all stakeholders in implementing inviting initiatives and reflecting on progress.

Each school/district/university applying for the 2023 Inviting School Award will then submit your school's supporting documentation to the Inviting School Award Chair by April 15, 2023 for a May notification or by May 15, 2023 for a June notification. The Inviting School Award Chair is James Botts (james.botts@jessamine.kyschools.us).

All Inviting School applicants are required to:

- Hold a current IAIE Institutional Membership. This provides 5 designated members of your organization with full IAIE member benefits. Join IAIE online at: IAIE Membership. Hong Kong and Mainland China schools please apply through the IAIE HK Center.
- Administer a stakeholder survey and complete the school demographic information form.
- A minimum of 100 survey responses is recommended, including teachers, administrators, staff, students, and parents. The more participants you involve, the more helpful the information you receive will be and will help guide your choice of inviting initiatives for this year and in the future.
- Prepare an Inviting School Portfolio with supporting documentation as described below. If you require a May notification, submit your electronic portfolio by April 15, 2023. If you choose a June notification, your portfolio is due by May 15, 2023.
- Schedule and host an assessment visit by IAIE representatives. For a May 31 notification, the visit should be completed by April 15, 2023. For a June 30 notification, the visit should be

completed by May 15, 2023.

IMPORTANT INFORMATION FOR THE INVITING SCHOOL AWARDS

The following guidelines are provided to assist your school in the process of working toward this award:

- Review the results of the Stakeholder Survey to gain information about your school's current inviting school practices. **A minimum of 100 responses is required.** The more responses you collect, the more helpful the survey will be to your school.
- Document initial findings from the survey and other sources of information and determine a baseline of where your school is on your invitational journey.
- Provide stakeholders with copies of introductory IE articles available on the IAIE website or purchase copies of Fundamentals of Invitational Education 2nd Edition for staff to read. The new Invitational Education Toolkit is a helpful professional development tool that will guide you and your school through 12 steps of the Inviting School process over multiple years, to create and sustain your inviting school. Phase I of the Toolkit is most helpful for schools new to IE.
- Provide a statement of invitational goals, objectives and strategies based on your initial findings.
- Explain your plan of action based on your established goals and objectives.
- Provide a timeline outlining an action plan to continue Invitational Education growth.
- Provide a Reflective Statement about insights you may have gained during your process.
- Include site visit(s) and/or training from a specialist in Invitational Education, your state/regional coordinator, member of the IAIE Advisory Board and/or an IAIE Trustee.
- IAIE recommends working with an IAIE leader to guide you through your Inviting School Award journey. We are available to assist you with the Inviting School Award process upon request.

*Disclaimer: All materials submitted to the IAIE Inviting School Award Committee become the property of IAIE.

One Year Follow-Up

An important component to the Inviting School Award is the One Year Follow-Up. Developing this reflective statement with your staff is a tool for sustaining and maintaining the concepts of Invitational Education in your school. This statement should focus on three areas:

1. Where are we now that we are an “Inviting School”?
2. How have we met our Goals and Objectives?
3. What is our vision for the future of IE at our school?

This process should follow the Helix of Invitational Education as a continuing effort to sustain and maintain your school as an “Inviting School.” Please send your Follow Up statement to the Inviting School Award Chair: James Botts (james.botts@jessamine.kyschools.us).

OR

Apply for IAIE Inviting School Fidelity Award in place of the “One Year Follow-Up.”

The complete Inviting School Award Program includes the initial Inviting School Award, followed by 5 additional Fidelity Awards, which may be earned every two years, beginning the year following the Inviting School Award. This 10-year commitment to inviting practices culminates in the Gold Fidelity Award.

We encourage you to continue your inviting school initiatives and reflective practice beyond the first Inviting School Award. The benefits of a multi-year commitment are many. Stay involved and watch your staff and student potential grow!
