Strategy 35
Faculty Family Album

Handout 35.A
Who Am I?

Objective(s):

To increase camaraderie in the faculty or organization.

Age:

Elementary to adult

Procedure:

1. Distribute Handout 35.A entitled "Who Am I?" [page 99] to each staff member. (Adapt as needed.)
2. Ask all staff to complete the pertinent information.
3. Place the forms in alphabetical order in a notebook.
4. Have an artistic member of the staff design a cover—perhaps a collage of pictures of the staff.
5. Leave the Faculty Album on the coffee table in the lounge to encourage the staff to get to know each other.

Note: This may be easily adapted to an individual classroom. Kids love having their own class album and you can ask them to draw their own pictures or include photographs.
